## Public life

---

Amanda Kleinman, or 'Majestic Ape' is the lead singer and keyboardist of [Comet Ping Pong](#)'s main band "Heavy Breathing". Majestic Ape exclusively wears sunglasses, a blonde wig, and a red ski mask during performances and appearances, while singing and talking into a microphone that simulates voice distortion, making it even more difficult to determine the identity of the person.

She also jokes about child trafficking and infanticide (see **Social network**)

## Unmasking Majestic Ape

It is as if Majestic Ape is fulfilling a certain role in the seemingly sinister community, with not just musical performances. This image is further attested by Kleinman's usage of [code words](#) in front of crowds during private meetings, whereas the select company appears unquestioning of Kleinman's attire, role, and language.<sup>[1]</sup> Then there is the possibility multiple people assume her persona. In this video, says "We can experience the joys of Satan right here in this room without meeting him." <https://youtu.be/3QEC3S-Ao88?t=32>

### **Majestic Ape as Amanda Kleinman**

Majestic Ape is an invention of Amanda Kleinman.<sup>[2]</sup> She performs as Majestic Ape.<sup>[3]</sup>

### **Majestic Ape as James Alefantis**

It has been alleged that Majestic Ape might possibly be [James Achilles Alefantis](#), however there is no solid evidence to support this claim. When examined, known images and footage of Majestic Ape more closely resemble Kleinman, particularly in height and mouth

features. Amanda Kleinman is relatively short (around 5'4") and has a much more defined philtrum (upper lip groove) than James Alefantis.

## Relationship to #Pizzagate

---

### Connection to [James Achilles Alefantis](#)

### Connection to [Sasha Lord](#)

If the speech was to be taken literal at their meeting, Amanda has intricate knowledge about [Sasha Lord](#)'s family going back many generations, Sasha carried Amanda's baby, after which Amanda "euthanized" the baby for not liking it.[\[4\]](#)
